

## PAROLE VIOLATORS

All juveniles returning to ADJC from parole are placed on "pending suspension/revocation" status until a hearing is completed. One of three outcomes can occur at the hearing: parole reinstatement, parole reinforcement or parole revocation. The parole reinforcement program was terminated in June of 2004. A juvenile can also be discharged or released, however, that action is initiated independent of the revocation process. Parole revocation results in a juvenile returning to a secure safe school.
